

Proposal to hold XXI ISIAC

Who would organize?

- Colm Whelan (ODU)

- Joe Macek (UTK and ORNL)

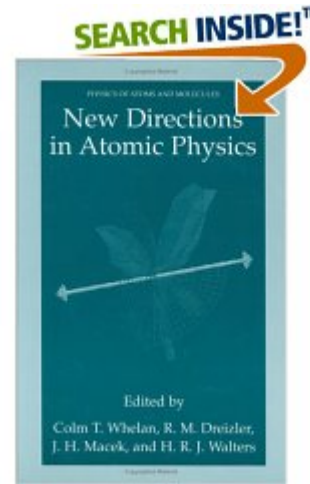

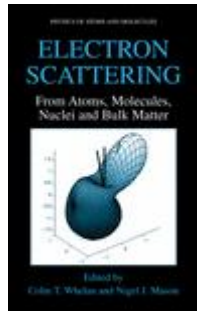

- Michael Schultz (Missouri-Rolla)

- Dieter Schneider (LLNL-NIF)

Experience of organizing meetings

CORRELATIONS, POLARIZATION, AND IONIZATION IN ATOMIC SYSTEMS

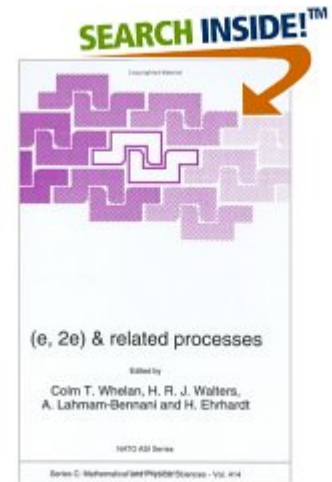

Proceedings of the International Symposium on (e,2e), Double Photoionization and Related Topics and the Seventh International Symposium on Polarization and Correlation in Electronic and Atomic Collisions

Rolla, Missouri 25-28 July 2001

EDITORS
Don H. Madison
Michael Schutz
University of Missouri-Rolla

AMERICAN INSTITUTE OF PHYSICS
Melville, New York, 2002
AIP CONFERENCE PROCEEDINGS ■ VOLUME 604

ISIAC XIV

From the Atomic to the Nano Scale, Colm T Whelan and J H Mc Guire

Where?

- Norfolk, Virginia

Where is Norfolk?

How to get there?

Local and nearby attractions

Williamsburg, Jamestown and all that

Cost

- We will endeavour to bring the meeting in with a lower cost than the current meeting
- per participant

Current cost

- € 100 per night(\approx \$138.37)per person
- Conference fee €250.00(\approx \$345.88)
- Commitment:
- Cost for a regular participant:
- Accomodation + Conference fee

Will not exceed the current meeting

Ambition to bring it in at less

Cheaper student accommodation should be available

Costing Very Rough Estimates

- Expedia gives a rate between \$132-\$149
- per night in a double or twin room 3-4* hotel in the centre, for the 1st-5th August 2007, bed and breakfast
- Envisage a significant reduction for a block booking
- Much cheaper student accommodation should be available
